

A NEW ERA OF INNOVATION A FUTURE FULL OF PROMISE

Sheriff Gregory Tony, Ph.D.
sheriff.org

Since opening its doors in July 2024, our **Research, Development and Training Center (R.D.T.C.)** has enhanced the safety, readiness and performance of public safety professionals at all levels. Under the leadership of **Sheriff Dr. Gregory Tony**, the R.D.T.C. has rapidly **revolutionized** the way the **Broward Sheriff's Office (BSO)** is providing public safety. Our training, preparedness and service are having a positive impact and **setting the standard** on a local, national and international scale.

REAL RESULTS. REAL IMPACT.

From advanced tactical training to mental and physical wellness initiatives, the R.D.T.C. is a launchpad for innovation, empowerment and progress.

3,068 students have trained in one of the three state-of-the-art firearms ranges.

1,954 participants engaged in realistic, high-intensity trainings inside our customizable shoothouse.

2,320 members have engaged in defensive tactics, building their confidence and control for real-world encounters.

Hosted **8,779 students** for a variety of information intensive classroom trainings.

44,698 visits to the Strength & Conditioning Center, with **5,016 individuals** participating in group exercise classes.

"The R.D.T.C. is a bold reflection of our commitment to Excellence in Service. It's where we challenge limits, embrace innovation and equip public safety professionals with the tools to lead, protect and make a difference in communities locally, nationally and around the world."

- Sheriff Dr. Gregory Tony
